

# MDF Beadboard

Mdf paneling, or beadboard has become increasingly popular as a paint-grade alternative to solid wood panelings. This material is available in 4' X 8' sheets, and comes in four different groove width patterns.

Stocked in these thicknesses and groove widths:

2" grooves 3/8" x 4' x 8'

2" grooves 1/4" x 4' x 8'

3" grooves 1/4" x 4' x 8'

4" grooves 1/4" x 4' x 8'

6" grooves 1/4" x 4' x 8'
